WELCOME TO PRBC!

What to expect:

We are a church plant that began Sept. 7, 2008.

Our teaching / preaching will be God-centered as we learn about Christ Jesus, the central point of unity in all the Scripture, creation, and history. As the Ephesian letter tells us, all things are brought together in Jesus Christ. We teach the sovereignty of God fully and completely in all things.

We believe that man's salvation is by grace alone (*sola gratia*), through faith alone (*sola fide*), in Christ alone (*solus Christus*), to be found in Scripture alone (*sola scriptura*), and for the glory of God alone (*solus Deo gloria*). We subscribe to the 5 "solas" of the Reformation in all of our worship, fellowship, evangelism, prayer, preaching, and teaching.

Our church is led by Robert Williamson and Lamar Cranston. Both men were ordained in Southern Baptist churches. Each of them came to Reformed thought as the result of Bible reading, study, and listening to the teaching and preaching of dedicated, godly, Christian pastors.

Will you consider being a part of this work? We are not looking for "charter members" but rather men, women, boys, and girls who want to hear expositional preaching, sing Reformational songs, have fellowship with brothers and sisters in Christ, and worship the Lord Jesus Christ! And if you have not come to a Christian faith, please consider coming also that we may introduce you to the Scripture, the Church, and our Lord.
